

# Survey about Americas Business Dialogue

Project Title	Survey about Americas Business Dialogue
Project Summary	Create a great list of survey questions to find out how well a business development program is working, from the view of domestic and regional international companies.
Country	United States
Country/Region of Focus	United States

## Project Description

DOS has been supporting a program designed to help businesses grow throughout Latin America and the Caribbean. The program has been running for several years. DOS would like to find out how effective the program has been from the viewpoint of large U.S. companies and from the viewpoint of other large companies throughout the region. The project requires a creative thinker with survey design and analytical skills. The results of the survey will provide DOS with critical information regarding the effectiveness of the program.
